[Verse 1]

I've knelt so long
the night took root in my bone
my prayers, blackberries
bleeding sweet on the vine

[Chorus]

BRASS HEAVEN!

Your silence bends my spine
I'm the Jacob-wrestler
The Gethsemane-weeper
My hallelujah's got
splinters in its hands

*[Bridge]

You speak in scar-tissue

every "no" a delayed
"come closer"
This beggar's bowl
overflows with absence
I drink anyway

[Outro]
The night had roots
so the dawn
could take hold
